19. (Unclassified - ELS) BRIEFING Jim Fellenbaum, Senate Appropriations Committee staff, called to advise us that the worldwide wrap-up briefing before the Subcommittee on Defense would do well to concentrate on threat assessment. I told him that this was the direction of the briefing. He also advised that Tom Allison, of the Committee staff, has [redacted] clearances. Allison is a new member of the staff added by Chairman Warren G. Magnuson (D., Wash.). STAT

20. (Unclassified - MMP) LIAISON Myrna, in the office of Representative Marc L. Marks (R., Pa.), called based on a constituent request asking for some background on the Frank Snapp case. I provided entirely overt information to her and she was fully satisfied.

21. (Unclassified - MMP) LIAISON Called Herbert Romerstein, House Permanent Select Committee on Intelligence staff, to request from Representative John M. Ashbrook (R., Ohio) 70 copies (from the 8,000 he is having published) of the paper that CIA provided the Committee on KGB utilization of the media. (This paper was published as annex "R" to the Committee's hearing transcript on CIA and the media.) Mr. Romerstein said he would ask Mr. Ashbrook and get back to me. He understands that the 70 copies are for the Office of Public Affairs.

22. (Unclassified - MMP) LIAISON Patty Jackson, on the staff of the Senate Republican Conference, called with a request to review the transcript from the DDCI's briefing of the Senate Armed Services Committee, Subcommittee on Intelligence, on 10 April with regard to foreign military presence in Africa. It emerged that the interested party is Jim McKenna, of the Senate Republican Policy Committee staff, whose interest is in East German presence in Africa. After checking with [redacted], NFAC/CSS, I told Ms. Jackson that information on the East German presence in Africa is classified and that unless Mr. McKenna has appropriate clearances (he does not) I cannot make information available to him, although we would perhaps give him some sort of oral briefing. She said that Mr. McKenna would get back to me on this. STAT

23. (Unclassified - MMP) LIAISON Peter Sullivan, on the staff of the Permanent Subcommittee on Investigations, Senate Committee on Governmental Affairs, called requesting CIA unclassified information on Soviet petroleum production. I passed this request on to [redacted] NFAC/CSS. STAT
